

Urgent announcement for all doctors applying to McGill University for the 2011 entry

Copy of passport

Please email a clear copy of your recent passport to your advisor at the Medical Unit as soon as possible to add to your application

Closed programs for 2011

Please also note that the following programs are closed at McGill for the above year:

Anatomical Pathology

Anesthesia

Family Medicine

Medical Microbiology

Pediatric Cardiology

Pediatric General Surgery

McGill's online application

Every doctor applying for residency or fellowship at McGill University must complete the online application available at the following link before July 30 for the Internal Medicine residency program and September 1st for all other programs:

www.medicine.mcgill.ca/postgrad/admission_applyingonline.htm

Updated documents for the 2011 application

All doctors have to submit updated CV, Personal statement and 3 recent reference letters (issued after July 2009) to add to their applications as older copies will not be acceptable. Please note that McGill's deadlines for the 2011 applications are July 30 for the Internal Medicine residency and September 1st for all other programs

MCCEE official results

Those doctors who have taken the above exam and have received or yet to receive their results are requested to fill out and email us a copy of the MCC consent form available on our website and we will request a copy of your official results directly from the MCC in Canada.
