

## **Urgent Reminders for all doctors applying for Residency and Fellowship positions for 2011/2012**

### **1. McGill University**

- Please complete the **online application for McGill University** (available at: [www.medicine.mcgill.ca/postgrad/admission\\_applyonline.htm](http://www.medicine.mcgill.ca/postgrad/admission_applyonline.htm)) as soon as possible. There is an application fee that each doctor has to cover using a credit card.
- For **fellowship applicants**, please note that you are only requested to complete the above application if you have taken the MCCEE. Otherwise, your application will be sent to the other universities that does not require the MCCEE score. This exam is a mandatory requirement for three universities and those are McGill, Dalhousie and Manitoba.
- Please note that the **following programs are closed** at McGill for the above academic year and, thus, doctors wishing to apply to these programs must not complete the above application:
  - **Anatomical Pathology**
  - **Anesthesia**
  - **Family Medicine**
  - **Medical Microbiology**
  - **Pediatric Cardiology**
  - **Pediatric General Surgery**

### **2. Updating the application documents for existing files**

All doctors whom applications were received from the past year or so and wish to re-apply for the 2011 entry, are requested to update their CV, Personal statement and the 3 reference letters and email those to us urgently to add to their 2011 applications. The layout and content of the CV and personal statement should be very well-organized.

### **3. Internal Medicine residency deadlines**

The 2011 application deadlines for the above program are:

- **McGill- July 30, 2010**
- **Toronto-August 9**
- **McMaster-August 27**
- **Alberta-August 3**
- **British Columbia-August 31**
- **Rest of the universities (September 1)**

### **4. MCCEE**

We urge each doctor **who took or yet to take the above exam and have not yet received the results** to fill out the MCCEE consent form available on our website and email it to us and we will request a copy of your results directly from the MCC here in Canada. You will receive a copy by email once the results are received.
