

GENERAL DYNAMICS

Land Systems–Canada

General Dynamics Land Systems – Canada (GDLS-C) is a business unit of General Dynamic Land Systems of Sterling Heights, Michigan, with facilities in: London, Ontario; and Edmonton, Alberta. Since 1977, approximately 2100 highly skilled technical personnel design, manufacture and deliver a unique family of light armoured vehicles (LAV). Our website is www.gdlsCanada.com. Qualified applicants are invited to forward their resumes asap and by July 31, 2014 to mcfarlas@gdls.com Your resume must clearly identify your skills related to the position.

It is a requirement that General Dynamics Land Systems - Canada be registered with the Canadian Controlled Goods Program and that all of its workforce be security assessed. As such, successful applicants must meet all applicable security requirements, including, but not limited to, the ability to obtain and maintain a Canadian government security clearance to secret level.

General Dynamics Land Systems – Canada is an employment equity employer who values diversity and inclusion. While we appreciate all responses we receive, only those selected for further consideration will be contacted.
